SERVICE BULLETIN

APPLICABILITY: 99MY & 2000MY Legacy, Forester, and Impreza Vehicles.

NUMBER: 16-65-99R

DATE: 04/03/00

SUBJECT: TCM Trouble Code 38 (Revised)

In the event you encounter a customer complaint of the A/T temperature light flashing and this code is found in the TCM, perform the following:

First, eliminate all wiring and connector concerns by performing the tests as outlined in the appropriate Service Manual for this code. Repair as necessary.

After you have checked and confirmed these items, and you still did not find any problems, we recommend you replace the following part(s).

Use the chart below to locate and order the correct part number(s) for your application.

VEHICLE MODEL	VEHICLE EMISSION SPECIFICATIONS	PART NUMBER(S)

CAUTION

VEHICLE SERVICING PERFORMED BY UNTRAINED PERSONS COULD RESULT IN SERIOUS INJURY TO THOSE PERSONS OR TO OTHERS.
 Subaru Service Bulletins are intended for use by professional technicians ONLY. They are written to inform those technicians of conditions that may occur in some vehicles, or to provide information that could assist in the proper servicing of the vehicle. Properly trained technicians have the equipment, tools, safety instructions, and know-how to do the job correctly and safely. If a condition is described, DO NOT assume that this Service Bulletin applies to your vehicle, or that your vehicle will have that condition.
